MTSS: CREATING AND EDITING A PROGRESS NOTE

Step-by-Step Guide for Providers

This guide will take providers through the process of creating and editing a progress note.

Navigate to the MTSS Tool

1. After logging into Gradebook, click on the “MTSS” link on the left side menu or in your administrative menu, click on the “MTSS” module.

Select Student

2. To add/edit a progress note, select the desired student’s name from the **Student:** drop-down list.

Create Progress Note

- 3a. Locate desired intervention and click **Add Note**. To edit an existing progress note, skip down to step 3b.

Note: The Add Note link will only appear if the Intervention has an Actual Start Date. To add an Actual Start Date, click the ‘Open’ link for the desired intervention.

4a. The Progress Note popup will appear. Enter the date of the Progress note.

5a. Type the progress note in the free-form 'Note' text box.

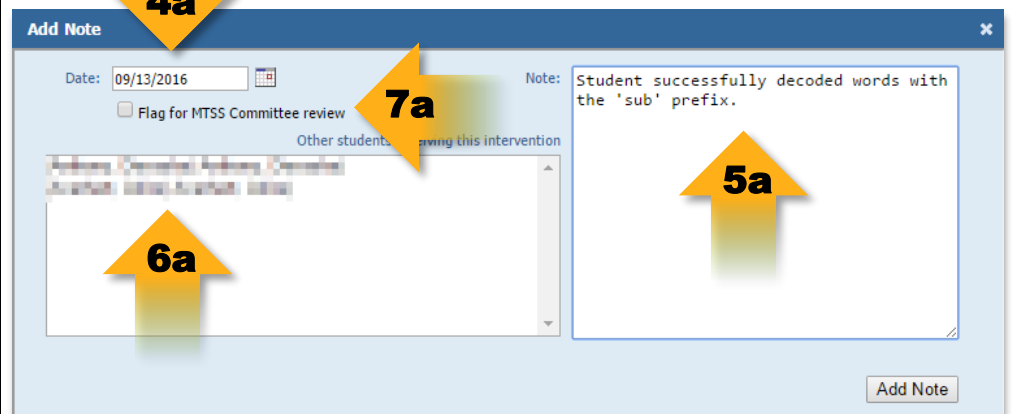

Note: This field has a limit of 8,000 characters.

6a. If other students are receiving the same intervention type, progress notes can be logged for multiple students. Select any additional students.

7a. If this progress note is either 1) evidence for recommending a tier change for this student or 2) a request to begin a different intervention with another provider, **Flag for MTSS Committee review** box. For general progress notes, leave the box unchecked.

*Note: The Flag for Committee option can only be used when logging a progress note for a **single** student.*

8a. Click  .

The screenshot shows the 'Add Note' popup window. Annotations are as follows:

- 4a**: Points to the Date field (09/13/2016).
- 7a**: Points to the 'Flag for MTSS Committee review' checkbox.
- 6a**: Points to the list of other students receiving the intervention.
- 5a**: Points to the Note text area containing the text: "Student successfully decoded words with the 'sub' prefix."
- 8a**: Points to the 'Add Note' button at the bottom right of the popup.

Edit Progress Note
