Introduction

The end of the school year is an important time for schools. To successfully close the **current** school year in IMPACT SIM and prepare for the **upcoming** school year, all high schools will need to follow specific **Year End Processing (YEP)** steps, as detailed in this quick guide.

Note the following:

- At YEP, the current Active Calendar (2016-17SY) will become the Historical Calendar, and the Planning Calendar will become the new Active Calendar (2017-18SY).
- **The YEP process will begin on Friday, June 30, 2017 at 12 Noon. (This is an absolute deadline.)**
- After the YEP process is completed, data from the previous school year will no longer be available for changes outside of using SIM Historical (for high school students only).

School Responsibility Checklist for High Schools

This checklist highlights the responsibilities each high school must complete in order to ensure YEP is successful at their school.

Steps to Complete Year End Processing (YEP)

Step 1: Ensure Attendance Entry and Edits are Complete

Deadline:	Friday, June 30, 2017 at 12 Noon
------------------	---

- Ensure that all attendance data in SIM is correct for students.

Refer to CPS's Dashboard's DQI metric, *Unsubmitted Attendance*, for a list of unsubmitted attendance, as illustrated in the following screen capture.

Current Data Quality Index

A ● =0% | B ▲ >0% and <=10% | C ▲ >10% and <=20% | D ◆ >20% and <=30% | F ◆ >30%

Click on a row of the scorecard to display data and description of the specific Data Quality item.

	Measure	Weight	Errors	% Error	Grade
Attendance (1)					
	<u>Unsubmitted Attendance</u>	100%	5	0.16%	B ▲

Notes:

- All attendance edits must be completed prior to generating student transcripts. See page 6 for timeline to generate HS Transcripts for legal archives.
- High schools must retain all attendance records, including logs and notes. Early dismissal logs should be retained by school year to document early dismissal students because the documents are legally required complements to the attendance data in SIM. All attendance records are to be either stored on the school premises or at a CPS approved facility/location for access and reference requirements of CPS or ISBE audits.
- 0% Attendance Students: Students who have as many days of membership as absences must have their information reviewed to determine if this is an enrollment error.
- Post-Graduation Days: Post-graduation days for 12th graders are marked as "Absent Excused". Schools are encouraged to plan post-graduation activities for 12th grade students who attend school after graduation. No school is to tell students or their families that they are not allowed to come back after graduation. In the same way, schools cannot mark students as "Present" or "School Function" if there is no formal, supervised activity occurring.

Step 2: Ensure Grade Entry is Complete

Deadline:	As stated on page 6
<p>✓ Complete all grade entry for the 4th quarter grading period.</p> <p> Ensure all grades for 4th quarter are entered into Gradebook by the dates listed on page 6.</p>	
<p>✓ Complete authorized grade changes for any quarter grades, in accordance with the CPS Grade Change Policy.</p> <p> Authorized grade changes for 1st, 2nd, and 3rd quarters must be made in SIM.</p> <p> REMINDER: Authorized grade changes for 4th quarter <u>only</u> must be made in Gradebook.</p> <p>IMPORTANT:</p> <ul style="list-style-type: none">To ensure the correct final grade appears on the student's HS transcript, any authorized grade changes must be completed 24 hours <u>prior</u> to generating transcripts.

SIM Steps to Change a Student Promotion Status

2. Perform a student search to locate and open the student’s record.

On the School Specific tab, click the dropdown menu for *Student promotion status* and select “Retained.”

Click OK (in lower right-hand corner) to save your selection.

IMPORTANT: Once YEP is completed, schools may not be able to access all previous school year data. Print all mandatory reports and any other data for which you wish to retain a physical copy (school-level decision). For more information regarding the retention of student records, please go to: <http://policy.cps.edu/download.aspx?ID=84>.

Step 6: Check Next Year Transportation Requests

Deadline: Thursday, June 1, 2017

- ✓ Check to ensure all applicable students have a next year transportation request submitted.
- ✓ Note the following:
 - For students staying at the same school next year with a current active transportation request, the request will roll-over to the 2017-18SY. Do **NOT** re-enter a request
 - If the student plans to attend a new school for next year and the student qualifies and intends to use transportation, a request must be entered into SIM by the student's new school by **June 1st** to guarantee transportation is available on Day 1.
 - a. The student's current school must project the student to the new school so that the student appears in the new school's Planning Calendar.
 - b. When the student enrolls at the new school and is determined eligible for transportation services, have the student fill out the Application for School Bus Service (form stays at the school). The new school must then submit the transportation request into the SIM Planning Calendar using a **07/01/2017 Start Date**.

Note that eligibility will be determined immediately and the results displayed. The following screen capture illustrates a request that has been determined as "Eligible."

Request Status	Entry Date	Exit Date	Exit Reason	Transportation Type
Eligible	8/1/2011		N/A	OK - Options Program

The following screen capture illustrates a request that has been determined as "Rejected". If the user is able to correct the reason for the rejection, SIM will re-calculate eligibility in the Planning Calendar once every evening and display the results.

- c. If the student has an IEP/504 and qualifies for transportation, however, the student does NOT intend to use it, please inform the Case Manager so that the Case Manager can update the question “Parent Accepts Transportation” from “Yes” to “No” in the IEP/504. The student will remain eligible for transportation EVEN if they decline transportation right now, and can request transportation later if they change their mind.
- ✓ For questions: refer to the Transportation Quick Guide in SIM, call the IT Service Desk at 773-553-3925, or call Student Transportation Services at 773-553-2860.
