

Report Card Pick Up Tracking in SIM 2016-17SY

In order to provide district-wide reporting on the number of student report cards that are picked up on Parent-Teacher Conference days (for Quarter 3 – April 19 & 20), schools must use the Report Card Pick Up Tracking page in SIM.

- This page lists all students enrolled in the school as of the **end of Quarter 3**, Thursday, April 6, 2017. Note: PE and PK students are excluded because they do not receive the CPS ES Report Card.
- Staff with either *Status Coordinator*, *Grading Coordinator*, *Teacher*, or *Principal* role will have edit access to indicate which student report cards were picked up.
- **IMPORTANT:** For Q3, Elementary Schools will have until 5:00 p.m. Monday, April 24, 2017, and High Schools will have until 5:00 p.m. Tuesday, April 25, 2017, to indicate which student report cards were picked up on Parent-Teacher Conference Day. After 5:00 p.m., the reporting process will begin and the Report Card Pick Up Tracking page will become READ ONLY.
