

Immunization Functionality Changes in IMPACT SIM

At the request of the **Office of Diverse Learner Supports & Services (ODLSS)**, the following changes have been implemented on the student's *Health and Immunization* page in SIM:

- ❖ The Immunization grid has been redesigned to now house both required and non-required (nonscheduled) immunizations, as illustrated in the screen capture below:
 1. Required Immunizations
 2. Non-required Immunizations. Note the previous Nonscheduled Immunization panel has been removed.
- ❖ The *Minimum Health Requirements for Chicago Public Schools* have been incorporated into the redesigned Immunization grid for each immunization type. As such, each immunization type carries a rule to calculate compliance status. The non-required immunization types carry a “do not calculate” rule.
- ❖ An asterisk (*) has been added to the end of each required immunization, and is accompanied by a note at the bottom of the *Immunization* grid, as seen in the screen capture below.

Redesigned Immunization Grid

Immunization Type	Compliant	Date 1	Date 2	Date 3	Date 4	Date 5	Date 6	Next Due Date	Override / Exception Acti	Override Expiration Date
<input type="checkbox"/> DTP or DTaP *	Yes	5/1/1999	7/1/1999	11/1/1999	7/1/2000	1/1/2003		11/8/2022	N/A	
<input type="checkbox"/> Td *	Yes							11/8/2022	N/A	
<input type="checkbox"/> Tdap *	Yes	11/8/2012							N/A	
<input type="checkbox"/> IPV/ Polio *	Yes	1/8/1999	3/1/1999	7/1/1999	1/1/2003				N/A	
<input type="checkbox"/> Hib *	Yes	1/1/2000							N/A	
<input type="checkbox"/> Hep B *	Yes	3/1/1999	5/1/1999	7/1/1999					N/A	
<input type="checkbox"/> Chicken Pox *	Yes	1/1/2003	7/5/2008						N/A	
<input type="checkbox"/> MMR *	Yes	1/1/2000	1/23/2003						N/A	
<input type="checkbox"/> Measles *	Yes	1/1/2000	1/1/2003	1/23/2003					N/A	
<input type="checkbox"/> Rubella *	Yes	1/1/2000	1/1/2003	1/23/2003					N/A	
<input type="checkbox"/> Mumps *	Yes	1/1/2000	1/1/2003	1/23/2003					N/A	
<input type="checkbox"/> PCV *	Yes								N/A	
<input type="checkbox"/> Meningitis *	Yes							7/1/2016	N/A	
<input type="checkbox"/> Hepatitis A	Yes								N/A	
<input type="checkbox"/> Human Papillomavirus	Yes	5/11/2013							N/A	
<input type="checkbox"/> Influenza	Yes	11/10/2010	8/21/2011						N/A	
<input type="checkbox"/> Rotavirus	Yes								N/A	
<input type="checkbox"/> N/A	No								N/A	

* Immunization required to meet Minimum Health Requirements for Chicago Public Schools (calculated in compliance).

Immunization Grid and Compliance Calculation Process

Note the following:

- ❖ Each **required** immunization is designed to calculate compliance based on the requirements defined in the *Minimum Health Requirements for Chicago Public Schools*.
- ❖ An asterisk (*) has been added the end of each required immunization and is accompanied by the following note at the bottom of the *Immunization* grid:

* Immunization required to meet Minimum Health Requirements for Chicago Public Schools (calculated in compliance).

- ❖ Non-required immunizations carry a “**do not calculate**” rule, and do **not** contain an asterisk (*) at the end of each non-required immunization name.
- ❖ SIM automatically recalculates a student’s compliance status nightly.

Required immunizations contain a “rule” to count in compliance calculation.

An asterisk (*) next to each indicates it is required to meet compliance.

Non-required immunizations carry a “do not calculate” rule, although a “Yes” will always populate in the *Compliant* column.

<input type="checkbox"/>	Immunization Type	Compliant
<input type="checkbox"/>	DTP or DTaP *	Yes
<input type="checkbox"/>	Td *	Yes
<input type="checkbox"/>	Tdap *	Yes
<input type="checkbox"/>	IPV/ Polio *	Yes
<input type="checkbox"/>	Hib *	Yes
<input type="checkbox"/>	Hep B *	Yes
<input type="checkbox"/>	Chicken Pox *	Yes
<input type="checkbox"/>	MMR *	Yes
<input type="checkbox"/>	Measles *	Yes
<input type="checkbox"/>	Rubella *	Yes
<input type="checkbox"/>	Mumps *	Yes
<input type="checkbox"/>	PCV *	Yes
<input type="checkbox"/>	Meningitis * New!	Yes
<input type="checkbox"/>	Hepatitis A	Yes
<input type="checkbox"/>	Human Papillomavirus	Yes
<input type="checkbox"/>	Influenza	Yes
<input type="checkbox"/>	Rotavirus	Yes
<input type="checkbox"/>	N/A	No

Modified Health Examination > Exam Category Option

An option in the Exam Category drop-down menu has been renamed. The new option is *Appointment Date*, and it does **not** calculate a student as compliant.

Appointment Date replaces
"Medical Schedule – Certificate
of Child Health Exam".

New Immunizations Override and Exception Actions

The Nurse role only is authorized to enter an *Override or Exception Action* to an individual immunization. New options have been added to the Override/Exception Action column for immunizations. The chart below defines which Override/Exception Actions carry a 'rule' to calculate a compliance status.

Override/Exception Action	Calculation Rule	Expiration Date Rule
N/A	N/A	N/A
Appointment Date	Non-Compliance	Expires
Had Disease	Compliant	Does not expire
Medical Schedule	Compliant	Expires
Medical Waiver	Compliant	Valid for one year
Religious Waiver	Compliant	Valid for one year
Titer	Compliant	Does not expire

SIM Health Reports

The following SIM health reports have undergone design enhancements and modifications to support the new immunization and health examination compliance requirements:

1. CPS Health Requirements Compliance Report
2. CPS Notice to Parents of Health Services Needed
3. CPS Student Comprehensive Health Report

Technical SIM assistance:

For technical assistance, contact the IT Service Desk at (773) 553. 3925, option 2 for IMPACT. Users experiencing technical issues are strongly encouraged to call the Service Desk, as tickets serve as records of an existing issue at a given time for a particulate user.
