

GRADEBOOK: ACCESSING STUDENT PROFILES

Quick Start Guide

This Quick Start Guide will take you through the process of viewing student information in Gradebook.

Open the Student List

1. From any page within gradebook, click the “**Student List**” link in the left-hand panel.

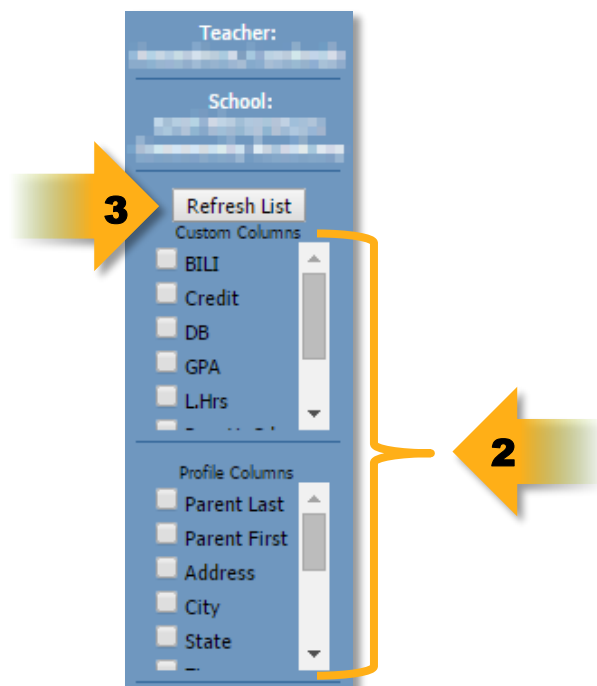

The screenshot shows the GradeSpeed interface. On the left-hand panel, the 'Student List' link is highlighted with a yellow box. A yellow arrow with the number 1 points to this link. The main area of the interface shows a class selection dropdown set to 'HS1 English III-1 (184301H/1) Pd 01' and a table with columns for 'Student' and 'Avg'. Below the table, there are 'Display Options' set to 'Alpha' and a legend 'A=95 C=75 F=59 B=85 D=65 P=95'.

Add Fields to the Student Grid

2. Select any additional items to display on the student list by checking the desired entry.

3. Click **Refresh List**.

The screenshot shows the 'Custom Columns' and 'Profile Columns' panels. A yellow arrow with the number 3 points to the 'Refresh List' button. A yellow arrow with the number 2 points to the checkboxes for 'BILI', 'Credit', 'DB', 'GPA', 'L.Hrs', 'Parent Last', 'Parent First', 'Address', 'City', and 'State'.

Open Student Profile

4. Select **[Profile]** for the desired student.
