

GRADEBOOK: CREATING AN ASSIGNMENT

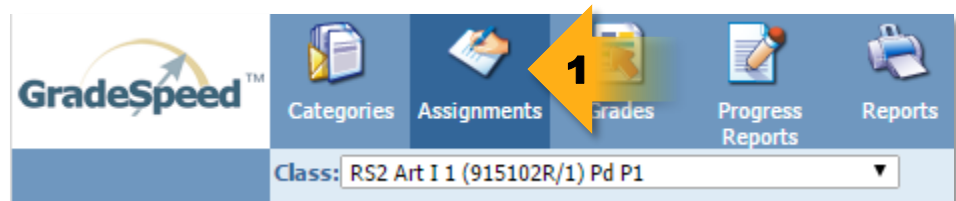

Quick Start Guide

This Quick Start Guide will take you through the process of creating an assignment in your Gradebook, including extra credit entries and attaching documents.

Note: Grading Categories must be established before creating an assignment. See *QSG Modifying Grading Categories* for details.

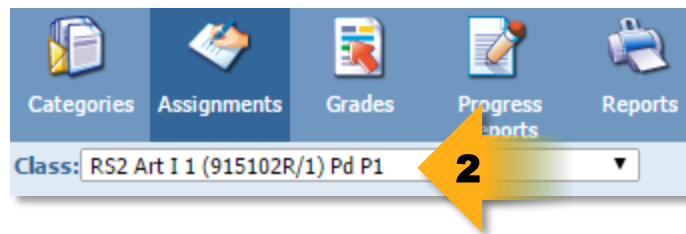

Open the Assignments Screen

1. In the menu bar, click "Assignments."

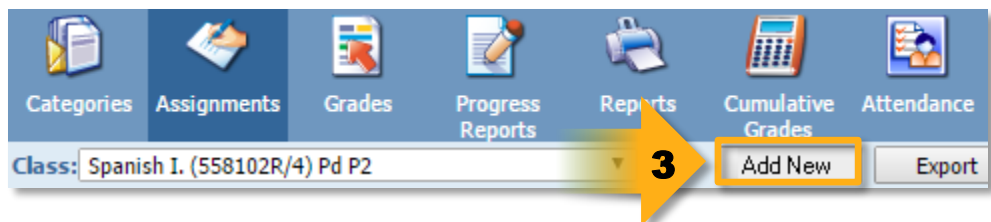

Select a Class

2. In the Class dropdown, select the desired class.

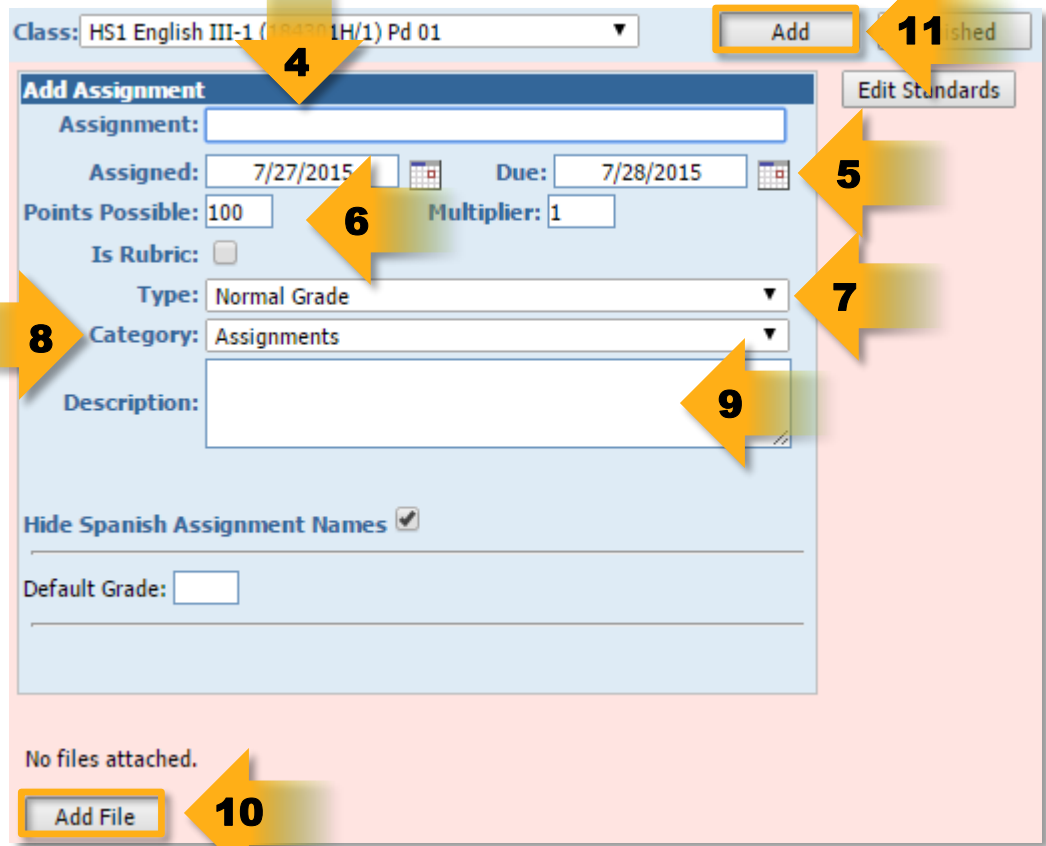

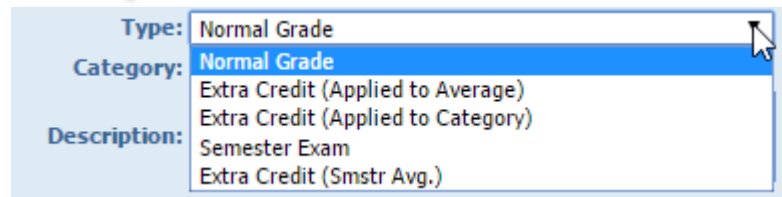

Add New Assignment

3. Click .

<p>Enter Assignment Details</p> <p>4. Type the name of the assignment.</p>	
<p>5. Enter assigned and due dates.</p>	
<p>6. Populate the points possible.</p>	
<p>7. Indicate the assignment type. For extra credit, change the type to "Extra Credit."</p> <p><i>Note: See extra credit options on the second image below.</i></p>	
<p>8. Select the grading category to which this assignment will apply.</p>	
<p>9. Enter a description if desired.</p> <p><i>Note: Class description is displayed in Parent Portal.</i></p>	
<p>10. Click Add File to attach a file if desired, such as a rubric or syllabus.</p> <p><i>Note: Attached files are available in Parent and Student Portals.</i></p>	
<p>11. Click Add to create the assignment.</p>	

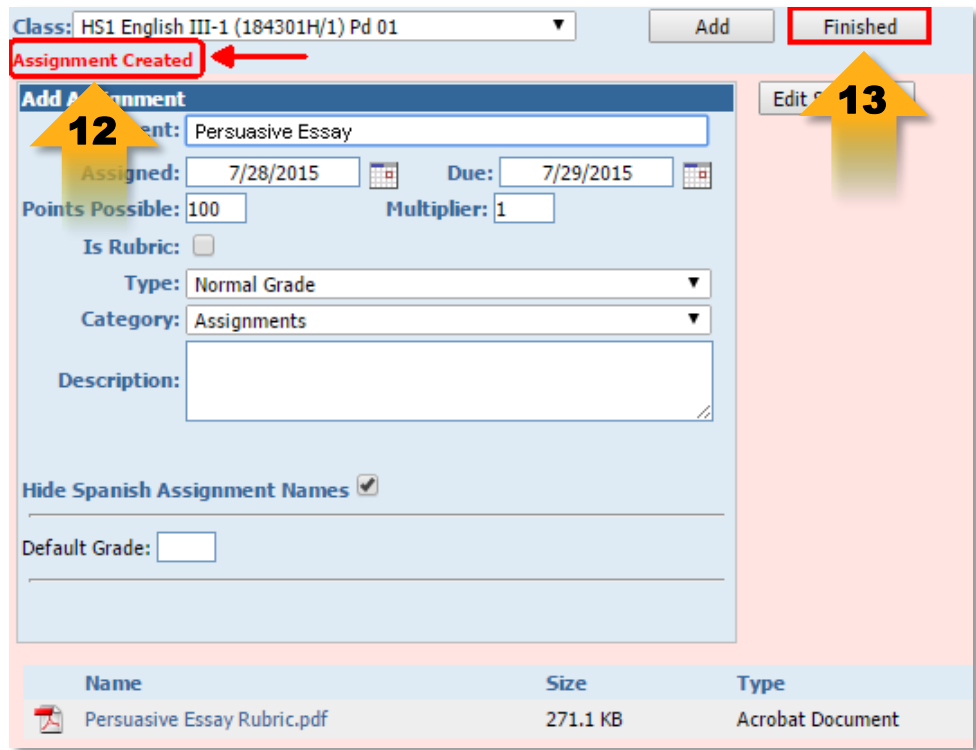

How to Enter Extra Credit?

- Extra Credit (Applied to Average): Apply extra points to a student's cycle average
- Extra Credit (Applied to Category): Apply extra points to the overall assignment category (i.e. add 5 extra points to the 'Homework' category)
- Extra Credit (Smstr Avg): Apply extra points to the overall semester average (i.e. add 5 extra points to the total points for the entire course at the semester level)

Go Back to the Assignments Page

12. When assignment creation has been successful, it will indicate it on the page.

Class: HS1 English III-1 (184301H/1) Pd 01
