

Area of Concentration	Evening School
Source System(s)	IMPACT Evening School 
Data Discrepancy	Students Enrolled Without a Schedule
Definition	<p>This metric identifies students who are enrolled in a high school in Evening School and have not been scheduled into a class.</p> <p>Why is this important? All enrolled students must be scheduled into a class for high schools for attendance taking purposes.</p>

Mitigation/Resolution Process

- High Schools should ensure all enrolled students are scheduled into the applicable class(es) for attendance taking purposes.
- Reference the *Quick Guide for SIM Evening* for details.
- The quick guide is located on the IMPACT website, on the Home tab. Scroll down to the Useful Documentation section: http://impact.cps.edu/downloads/Quick_Guide_SIM_Evening.pdf.
