

Incident Reporting Quick Guide

Creating an Event

The event entry page can be found by clicking on **Incident Management** on the top menu bar and then by selecting **Infraction Event** from the drop-down menu. Creating an event is a four step process: Step 1 - fill out general information about the event; Step 2 - identify all participants involved; Step 3 - fill out the other applicable tabs (this will depend on the event types selected); and Step 4 - save or submit the event on the Submit Event tab.

Example: Event involving an SCC Violation and an Injury

Step 1: General Information about the Event

1. Click on the calendar and clock icons to enter the **Event Date** and **Event Time**.
2. Enter the **Overall Event Summary/School Response**.
3. Indicate the **Event Types** that apply to the event, select Yes or No for each one. (In this example, Student SCC Violation and Personal Injury should both be Yes.)
4. Indicate whether or not the event occurred **Off Campus**.
5. Indicate whether or not the event was **Sports Related**. If **Yes**, another field will appear for you to indicate whether it was Intramural, Interscholastic, or Other.
6. Indicate whether or not **Police Notified**; select Yes or No.
7. Indicate whether or not there was an **Arrest**; select Yes or No.
8. Indicate whether or not **DCFS** was contacted; select Yes or No.
9. Indicate whether or not there was **Sexual Abuse**; select Yes or No.
10. Indicate whether or not this involved a **Hate Crime**; select Yes or No.
11. Indicate whether or not this involved **Racial Discrimination**; select Yes or No
12. Indicate whether or not there was an **Altercation Involved**; select Yes or No. If Yes is selected you will need to indicate the type of altercation involved in the event.
13. Indicate whether or not there was **Weapons Involvement**; select Yes or No. If Yes is selected you will need to select the type of weapon used.
14. Indicate whether or not the event was **Vendor Related**; select Yes or No. If Yes is selected another field will appear for you to enter the **Vendor name**.
15. Choose one or multiple **Reason(s)** why this event occurred.
16. Choose one or multiple **Location(s)** where the event occurred.
17. Choose one or multiple **Activities** that were going on when the event occurred.

The screenshot shows the 'Event Entry' tab of the incident reporting software. The interface includes several sections:

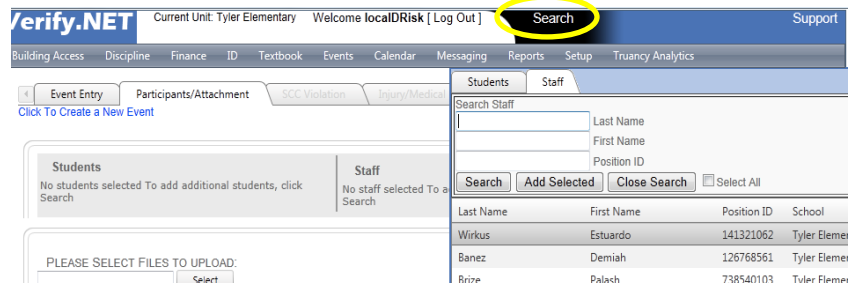

- Event Date/Time:** Fields for 'Event Date' and 'Event Time' with calendar and clock icons.
- Status:** Draft, School: Tyler Elementary, Event ID.
- Event Summary/School Response:** A text area for detailing the event, including participant names and involvement.
- Event Type:** A section with radio buttons for selecting event types: Student SCC Violation(s), Personal Injury or Medical, Property Damage or Theft, Vehicle Incident, Alleged Employee Misconduct, and Harassment or Threat.
- Yes/No Fields:** A column of fields with radio buttons for 'Yes' and 'No', including Off Campus, Police Notified, Arrest, Weapons, Sports Related, DCFS Notified, Sexual Abuse, Hate Crime, Racial Discrimination, Altercation, and Vendor Caused.

Step 2: Adding Participants to the Event

In the second step, you must add all participants involved, including victims, offenders and witnesses, by clicking on the **Participant tab**. To find all student(s) or staff involved in the event, use the **Search** feature. Double click the participant's name or click the Add Selected button for the participants to be added to the Participants section. If there was a family member, visitor, or other involved, click the **Add Family Member/Visitor/Other** button. This will allow you to enter their information. Only name and relationship are required. Once information is filled out, click **Insert**.

Step 3a: Fill out the next applicable tab. In this example, SCC Violation.

1. **Selected Student:** Select the student offender from the drop-down menu.
2. **SCC Violation Code** and **Severity:** Select the appropriate code and severity level per the SCC Policy. Multiple SCC Infraction Codes can be added.
3. The **Recommended Disciplinary Action** will automatically populate based on the severity selected (this comes directly from the CPS Student Code of Conduct Handbook)
4. Click the **Insert Infraction Code** button. The infraction code and severity will then gray out.
5. **Reported By** and **Report Completed By:** Indicate who reported the student misconduct and who is completing the form in Verify (this will default to you).
6. **Homework Assigned By:** Optional field to indicate the teacher(s) assigning homework if the student will be suspended.
7. **Misconduct Narrative:** Ensure this narrative only includes the student's name for the specific student misconduct you are completing.
8. **Type of Conference:** Select the appropriate conference type. Indicate the date the Parent Conference was held if applicable.
9. **Type of Action:** Select the actions or interventions that will be implemented for the student.
10. **Suspensions:** Complete the OSS Suspension fields if the student is receiving an out-of-school suspension, and the ISS Suspension fields if the student is receiving an in-school suspension.
11. You may also add additional information, such as Notes, Police Report information, a conclusion, and upload any documents that pertain to this incident.
12. Click the **Save SCC** button at the bottom of the page. This will save the information you have entered and create a tab for the student offender.
13. To add additional student misconducts to this event click the **Add Additional Student SCC** button at the top of the page or use the copy tool and repeat the steps above as needed.
